“ I have very fond memories of Mr. Scheffler, "Ray". I remember his beautiful, big smile! I especially remember how cute Ray looked with his late wife, Cecilia. The two of them could always be found with "Buster". How they loved that dog! More importantly, how they loved their family. They always just seemed to go with the flow and accept whatever came their way! I loved that about them. They were never judgemental. I know God has them close to him in Heaven and I know they are smiling down on all of us! May God give Greg, Scotti, Billy, Amy and the rest of the family the strength they need to get thru this difficult time. We love you and you are in our thoughts and prayers, Love Lisa Hodson and family

“ *My Uncle Ray-*

I could write a book on this wonderful man. He was everyone's favorite uncle. He always made time for everyone, especially the kids, his own, his nieces and nephews, even strangers. He had the patience of a saint. He would stop whatever he was doing just so that he could help you fix your bike, teach you how to swing a bat or tell you you always had to rinse your feet off in the pail by the pool before you got in. I remember how he always had everything planed every Sunday in the summer when our families all gathered at the Scheffler home, especially the times he would gather all the kids to take them to watch the fireworks on the 4th of July. The kids always came first to Uncle Ray. Words can't explain how much he will be missed. Even though time and relocation has made it difficult to see Uncle Ray, he was always in my thoughts and prayers and the happy memories of Sundays at Aunt Ceil and Uncle Ray's I hold dear and will always be with me throughout the rest of my life. Rest in peace Uncle Ray! Love you always, Susan Cotton
