“ *Lee Anne, Jay, Karon, Randy & kids, I just discovered that your father passed away while "surfing the web". I happened to type Lindsey's name in because I know she plays tennis, and I came across the obituary notice. I am so sorry for your loss. During the years I watched Lindsey, then Jill & John, your parents were often part of our day. He just loved his grandkids so much, and I enjoyed seeing the love between them. My heart goes out to all of you.*

“ *Lee Anne,
For once, I'm speechless. My heart goes out to you and your family. It is so hard to lose a parent and I know the physical pain all too well. Your father raised a tough cookie and he'd expect you to be strong. I can honestly say it gets easier as time goes by but it doesn't get better. I wish you Godspeed in the weeks and months ahead. Take care of yourself.*

“ *Dear Archer Family, I am so sorry for your loss of a wonderful husband and loving father. What few times I was able to spend time with him during our visits he was always looking out for everyone and making sure we had our breakfast bagels! Dick loved his family so much and I am glad you all were by his side during his last hours here on earth. Now he has moved on to a better place and will be awaiting your arrival in that sweet bye and bye.....may the peace of God sustain all of you during this time, love, Jaimee*
