“ *We offer our deepest sympathy and prayers to you and your family at this time of sadness. I will surely miss seeing Dick's smiling face and joking with him as he would take his little short cut through the all purpose room in the morning as he took his walk to get his morning paper.He was a great guy and co-worker.He was a man of his word.If he said he would be there to cover the all purpose for a function, he was there.You could always count on him. GOD BLESS YOU BUDDY. I am sure the big stripers are running in Heaven for you to catch.*
