“ *To the family, I'm sorry to hear about your loss. Rich was a good man, always had a smile for you no matter the time of day or whatever he was doing he would help you, he always had a joke or something funny making you laugh. He will be missed very much. I offer my deepest condolences, and blessings to the family. I was an aide with rich. I remember at six in the morning he would have me laughing, I would say its to early for this, he would laugh, and say that's good am I keeping you awake. He will be missed. Marilyn Buck, Gst*

“ *Rich was simply the best Brother in Law anyone could have. In the many years he has been in my life I have never once been mad at him. He never once spoke poorly about Margie in my presence.
Rich always treated me with his immense kindness as well as Donna when she joined our family. Rich and Margie were meant to be together forever, but forever was cut short. They had many good years still to come.
Rich left us way too soon. I loved that man with all my heart.
I promise to meet Rich further on up the road. It will be a good day when that time comes.*
