“ Pop not a day, hour, minute, second has gone by that I haven’t thought about you. I have so much that I want to say and do still with you. First and foremost is thank you for being the best father you could have ever had been dealing with us 6 kids. Don’t know how you and mommy ever did it but you two managed. Second I want to tell you I love you dad, I haven’t stopped crying since Friday morning and I don’t care how long it takes me to stop crying all the time, you gave me 47 yrs so far in this world and the least I could do is take it one day at a time. You would so proud of Patti Donna Teddy and myself right now cause we are working together like a well oil machine like we know you wanted through all this. Well I’m going to end my post here for the night, I know I’m going to be doing more at times. Give mommy and Robi a big hug and kiss for me. Good night Pop.
