“ *I miss you my brother. May your grief and sadness be gone and you find love, peace, and all knowing. You are looking down at us and I many times feel your presence, and it feels like that giggle you do...I so very much wish I would have stayed home with you. I missed so much and I'm sad at that. You were always strong and particular... I wish to make you proud everyday I'm here on earth. And. No the world did not end on Dec. 19th, 2014. I miss you. Love, Susie*
