“ *To the Allen Family: My family and I would like to express our deepest sympathy over the loss of Mr. Allen. He will be missed by everyone who knew him. When we read Genesis 1:28 and 31, we find that sickness and death were not a part of God's original purpose. With this in mind, one thing that comforted me after the loss of my parents is our Creator's plan to restore his original purpose and make it possible for all mankind (including loved ones we have lost in death) to live forever under perfect conditions. (Revelation 21:3-5; John 5:28,29) It is our hope that these words bring you a measure of comfort during this difficult time. Once again, please accept our condolences as you deal with the loss of Mr. Allen and contemplate the hope of seeing him again.*
