“ *Sandy, BJ, Brandy and family, I am so sad and so sorry for your loss. If there is anything we can do for you please call 856-357-9030. You are in my thoughts and prayers. I know we lost touch over the years, but I remember Bobby reaching out to me in my time of need after my car accident, and the support he showed me. I pray you and your family can find strength in the Lord and know that He is holding you close in His arms, and carrying you through this time of need. RIP big brother, I Love You Bobby*

“ It has been over a week since you left us. The void is enormous. No one could have asked for a better son. You were always thoughtful, concerned, kind and ready to help ion a minute's notice. You filled our home with laughter on your visits with Sandy. You had so many plans for the future but God had a bigger for you. We will miss you immensely and forever love you and will stand by Sandy as she has to go on without you. Dad and Monique

“ Im deeply sorry to hear of Uncle Bobs passing, he will be truly missed. Ill always remember our family get togethers for Xmas growing up as well as Thanksgivings at my Dad & Joannes. Seemed like Uncle Bob & I were the goto guys when someone was in need of some strongs hands and a p/u truck, lol. All in all Uncle Bob was a happy, loving person that always was smiling and lightening the mood w/ his witty personality. “ *Uncle Bob you will be missed! I will always remember asking you for dollar bills to hopefully someday buy a bike when I was a young boy. You always had a smile on your face and would make everyone around you laugh. A complete joy to be around. Thank you for always being there for my father and of course grandma Wink! “ My condolences to all of Bob's family, especially to Sandy, who was above and beyond a great wife and friend to him. You guys have a lifetime of fun and joyful memories to keep his spirit alive. I will miss the quirky things he would say to me, his sense of humor, the pride he showed in his home and property, and was always enamored by the love he had for his grandchildren. RIP

“ Bob, I feel Lucky to have had the privilege to call you my Brother-In-Law for the past 31 years.

You treated My Mom with the utmost respect til the day she passed, which wasn't easy at times, but you always made her laugh and She LOVED you very much.

You were a Good Husband, Father, Grandfather, Son, Brother, and Friend to All of Us.

I know you could never find anyone who did not respect you for how hard of a worker you were at everything you did in your LIFE!

I could go on and on about the way you talked to my Sons when they were boys, the help and support you always GAVE to those in need of it, and most of all, THE MAN YOU WERE, but I'll save the rest for when we meet again my Brother.

Give Mom a Big Hug & Kiss for Me.

“ Bob - You made the world a better place. You are a bright light in the darkness. You illuminated so many lives - more than and brighter than you know. If you did know you wouldn't admit it or take credit. I can't thank you enough for being my friend. It wasn't just the forty years of friendship that are so meaningful - it was your character.. You were the kindest, most caring, considerate, thoughtful, selfless, talented, humble, generous, loyal, honest, loving person I have ever met. You set an example for all of us to follow. I thank God for loaning you to us. Thank you for helping us and loving us. Thanks for your sense of humor. Thanks for being there. You bailed me out of more tough situations than I should mention. We will show you our appreciation by taking care of each other and loving each other. We will all see you again Bob. Semper Fi my brother, Semper Fi.
