“ *To Bob's family & friends: Sorry to hear the news of Bob's passing. Recall many great times when we were young car nuts and members of the old SJ Dragons. He surely loved that blue Mercury - Bob put silver quarters in the gas tank, didn't like banks LOL - hope he remembered to get those out and spend them in his later years? Bob was a "good ole boy" and lots of fun and added much to things he did. There's a place UP there in the heavens for this type man adding to lights which shine down to others and guide our pathways.*

“ I want to send my love and condolences to all of Robert’s family, siblings, children, and grandchildren. He was an awesome person! I’m very saddened to learn my cousin, Robert, is gone. Robert and I grew up together, and were only days apart in age. My birthday is April 20, 1940 and his May 9, 1940.

Early this morning, I was looking up a picture and came across one of Robert at a family gathering in LBI. I told my granddaughter “this is my cousin Robert with Loretta, Sandy, Edie, Archie Jr., and spouses.” I would have never dreamed after seeing his picture I would learn, later today, that he had passed. I hadn’t seen those pictures for years, and yet, here they were on my counter when I got the news. How ironic is that?! My guess would be God wanted me to be somewhat prepared for reemerging a very good time we all shared together in August 1992.

I’m sorry I couldn’t attend his visitation today, as I didn’t hear the news until 4:00pm this afternoon. Jeff Deacon had left a message on my answering machine and I returned his call. I didn’t check my messages on Sunday, as I just returned from a cruise. I attended Loretta’s service and Robert and I shared lots of memories growing up. His memory will live on forever- May God give you All the strength to accept the things we cannot change- God Bless you All!

“ To Rob's family, Bob and I are sorry to hear of your loss. Even though we never met him, we felt a connection-he was so precious to our friend Carol. We have know Carol for almost 40 years and never heard so much love and happiness in her voice when she talked about Rob. She was almost giddy! We liked him immediately because he made Carol so happy and content(we think he felt the same about her). The time they had together was filled with love. Please hug Carol for us. Our love and prayers are with your family as well as Carol, Audie and family, Lacey and family. With heartfelt sympathy, Bob and Doy Mick Clovis NM

“ Although we never met Rob, in some ways we felt that we knew him through our friend Carol. Having been Carols friend for almost 30 years and knowing that Carol had never been so happy as she was with Rob, we love him for that love and happiness that he gave to her.
To his family we are so sorry for your loss. He had to have been a great person.

“ To Family ,
So sorry for your loss ! May you find peace in your happy memories . God's word the Bible , provides the greatest comfort of all. The Christian apostle Paul stated “I have hope toward God ...that there is going to be a resurection of both the righteous and unrighteous .” (Acts 24;15) Thinking about the bible-based hope of a resurrection can be the greatest comfort while grieving the loss of a loved one and Jehovah always keeps his promises
