“ *Dear Kathy, It is with great sorrow and sympathy that I send you my prayers at the loss of your beloved husband. I remember when he was 'courting' you and how Linda and Marianne and I would follow you room to room as you got ready for him to come. I only wish I could offer you more than mere words. You and your children will remain in our prayers. May Our Lord watch over you during this difficult time.*

“ Kathy & Family,  
I am so sorry to learn of Bobby's passing. He was always one of my favorite cousins and I sure wish we had kept in touch more. This busy world of ours seems to make time go so fast that before you know it months and years have flown by and all the plans to visit friends and family more remain just that, plans.  
As a kid I still remember hanging out together when my Mom and Dad would visit Aunt Dot and Uncle Bob up at the house in Westville Grove. Bobby and I always seemed to get along and understand each other.  
And we both liked our Harleys!  
I wish you and your family peace and love and hope that the healing hands of time will soon make your family remember all the good times with Bobby and that he is now at peace.  
Love, Karen & Gary Civalier
