“ *Bob, you will always be in my heart. Words alone can not express how wonderful of a person you truly have been to me and every single person you touched. Your kindness, generosity, and ability to care for others through strength are unmatched. Memories of how much you mean to the people in your life will live on for eternity. You are a permanent part of me, forever engraved in my heart. You are truly missed so much by so many and you are not forgotten. You were always there willing to help however you could in anyway you could out of the pure kindness of your heart simply because that's the type of person you are. The type of person who's so genuine that it can't be replaced. You are one of a kind. You taught me a lot. With each tear brings strength as we know you wouldn't want us to worry. I remember you always saying to me, "don't worry about it." We remember you're laughter, your smile, and the amazing purist love you shared.*

You're definitely with us everyday watching over us and guiding us in the right direction. You are the most sincere person I ever met in my life and I will not let you down. I miss you and I know you're here with us everyday.

You are my friend and I miss you and I will not worry because I know you are right here right now watching over everyone you love smiling down making us smile too. You're a great man, Bob.

“ What a great friend Bob was to my Dad and my family. He took care of my Mom's yard for years after we lost Dad. Never once asked for anything in return. That's the kind of man he was. You will not be forgotten Bob.

“ I am so sorry for your loss. In the bible we find hope and comfort. Jesus said in John 5:28 "the hour is coming in which all those in the graves will hear my voice and come out."

“ In Bob, God summoned home a wonderful person. The memories I share with Bob brings laughter to my heart and I will treasure them forever. May my Comrade keep them all laughing upstairs, as he did for all us here.

My heart goes out to Sharon and Family, may your heart be filled with laughter and happiness in the memories you share with Bob. May those memories live on in your hearts and minds always. God Bless your Family with strength and Love during this difficult time.
