“ *Rlp cousin Bobby. You will be missed and thought of fondly, but it is a comfort knowing that you are no longer in pain. I hope you and Nan are together again.*

“ *To my dearest husband Bobby, you are the love of my life, my very best friend, my rock in hard times, and my big teddy bear! I lost you way to soon! We were supposed to grow old together, we were going to be those old couples you see holding hands in public! We talked about having grand babies and teaching them how to read, fish, and love them like crazy! I will have a lot of stories to tell them about you and that you are up in heaven looking down on them smiling and loving them even though you can't be with them! You are my angel now! We had a love that people search for all their life and never find but we were so lucky to have found each other and have a love like I never thought I would be so luck to have a man like you! You are the man of my dreams and I will love you forever and ever! I will be your wife for the rest of my life! I will never love any one the way that I love you! Until I am with you in heaven please watch over me and be my guardian angel! I LOVE YOU MORE THAN LIFE ITS SELF! Miss you my BIG SEXY!*

“ My deepest sympathies go to you Marie. Carol, Bird and the rest of the family. I'm proud to have been your friend for most of my life. I'll never forget the fun times we had, the crazy and funny work stories with you and Harry whom I'm sure you reunited with in heaven, your crazy sense of humor which I loved and made me laugh, the pranks you and Harry used to pull on me, and you and Bird Chasing us younger kids and holding us down and giving us pink bellies. Always enjoyed coming over and hanging with you and Carol. I'm gonna miss you a great deal buddy and it was an honor to have known and grown up and share many laughs and good times with you. May you rest in peace my friend. You will never be forgotten buddy.

“ I'm so sorry for your loss. During times like these, words and feelings can be difficult to express. I have found comfort from a promise found in the Bible at Isaiah 25:8. I hope it provides you some comfort as well. Please accept my deepest condolences.
