“ *I heard last night and am terribly sorry for you loss. I loved to hear your dad tell of the time when my dad was a mascot for the beach patrol and your father was a senior guard. Your dad was one of those who gave my father the nickname OX. My dad often told me about being airborne in your fathers car driving up Stone Harbor Blvd. Happy stories like this make me remember my dad and smile. I hope they do the same for you in days and weeks to come. Take care of one another. Andy Cunard*
