“ To The Iezzi Family: I worked with Robert at The West Deptford M.V.C. for the last two years and I would like you to know that the world has been a much better place just having him here. I will always remember his kindness, sense of humor and unmistakable smile. He was the ray of sunshine in everyone's day with a heart of gold. Your loss is heaven's gain and I know we will all see him again one day. May God bless and keep you in his everlasting arms and comfort you at this time. Sincerely, Michael V. Watson, Sr.

“ My deepest sympathy goes out to Mrs. Iezzi and her daughter, as well as, their extended family. Robert was an exceptional human being, and though I only knew him a short time, I grew very fond of him. His kind disposition and wonderful sense of humor was always present, as was his integrity. I know in my heart he is wearing his crown of glory in heaven for his service to God and to others here on earth. I am proud to have known him and will miss him, but we will meet again. Yours In Christ, Karen L. Warner

“ My heart goes out to you in your time of loss. I will always think of Bob, remembering the kindness in his eyes, and the warmth of his smile. He and Wilma always made me feel so welcome when I visited from Alaska. I am so glad that he and Wilma have so many dear friends in the deaf and hearing community. Laura, your dad was an angel on earth, bringing joy to all he met. I am so glad to have known him. Thinking of you, and sending much love- Nancy

“ I never got a chance to get to know Mr. Lezzi except for the many times we invaded his house. Yet, everytime I saw him I felt like I could have known him forever. He was always outgoing to anyone he met, and it made the world of difference to many who saw his smiling face as they entered his presence. He will surely be missed, but it is true he has gone on to a better place. My thoughts and prayers are with his family always.

“ Our deepest sorrows to the Lezzi Family and friends. God has taken an awesome person, friend, husband, and an special person to everyone. He had an great life by sharing happiness everyday no matter what time of the day it was for everyone. He always made us felt welcome no matter where such as GCCC, social, or the mall. My most memorial (shawn) memory I had with robert was when I did the cooking for Christmas parties with him and we always joked with each other. I am glad to know an great guy and thank god for an great guy that was an huge part of our deaf community as well. Robert, you surely will be missed, but doesnt mean you will be missed because we all know you are with us. God Bless Lezzi Family , our prayers are with you. Amen

“ To Laura, Carl and Mrs. Iezzi:
I'll never forget the many times I visited your house and was always warmly welcomed by Mr. Iezzi (no matter what day of the week or hour of the day). He would say hello and be sure to catch up on how I was doing. I never felt like I was intruding, but always felt like a member of the family. During all the great times there, no matter what happened (ie. breaking something valuable, etc), he and Mrs. Iezzi would always take it in stride and welcome us back again. The thing I will probably remember the most and was quite evident as I watched the video and read the other guestbook entries is Mr. Iezzi's smile. I don't think there was a day that I saw him that he wasn't smiling. That truly testifies to the man he was. He will be greatly missed, but with selfish tears. He is with His Savior.

“ I'll always remember Bob (Bob Hope) for his gentle kindness, his beautiful smile, and his great sense of humor. Bob always had a little joke or something funny to say to make me laugh. He loved to laugh and to make other people laugh too. He's probably joking with the angels in heaven now. Bob's eyes sparkled when he looked at his wife and daughter. He loved God and his family. I'm a better person for knowing him - I think we all are.
