“ Bobby was the cutest kid in Woodbury Gardens. He always made us laugh with all of his faces, especially his rat face. I still remember the Tarzan swing and sledding down Hannold with Bobby under the parked cars. He always made me smile. So glad he is at peace now. I will cherish those childhood memories always. “ *My girlfriends and I moved into the Bungalow behind the Gloucester House in 1979 and ended up living there for about 6 summers.*

Bobby and all the Gloucester boys always looked out for us...we were "The Girls."

Being my first time living away from home, Bobby was like a big brother to me, who I knew would always be there if I needed him!

He used to pay me to do his Laundry...\$10 a load plus Quarters which he of course always had tons of LOL!

We had so many fun times in Wildwood and I will cherish those memories always!

I am truly sorry for your loss...He is King Of The Road!
