“ *Pat I'm sorry to hear about Bob. We just came back from 3 weeks in the Fla Keys. I got your message but it cut off before it recorded your phone number. I tried the old number I had but it was disconnected. Sorry I missed the services as Bob and I worked together for quite a few years. If there is anything I can do or you need someone to talk to, give me a call.*

“ Dad, I can't believe your gone so soon before your time. You were always an inspiration to me to always strive to do the best. I hope that I made you proud in the path of life that I chose. The girls miss you so much already too and I only wish you were still here to be able to see them graduate, get married and give you great-grand babies. I do have comfort though that you are not suffering anymore and are at peace. I love you Dad...you are and will be missed....
