

Robert L. Kirkbride, Jr.

April 28, 1963 - May 18, 2023

Robert L. Kirkbride, Jr. of Woodbury Heights, Age 60, passed away peacefully at home on May 18, 2023, surrounded by family. He is the beloved husband of 35 years to Lori (nee Burness). Loving father of Robbie and Erin. Devoted PopPop to Hadley and Brooklyn. Cherished brother of Rachel (Michael) Cicalese of Haddon Heights and the late Austin Kirkbride. Predeceased by his parents, Robert and Joan Kirkbride. Favorite uncle to many nieces and nephews and brother-in-law to many. He will be deeply missed by his loving aunts, uncles, cousins, and extended family and friends.

Bob grew up in Bellmawr and was a long-time resident of National Park, before settling in Woodbury Heights, where he was a member of Infant Jesus Parish. Bob was employed by Pepsi in Pennsauken for nearly 30 years. Prior to his years at Pepsi, he worked at Seagoing, where his love of boating and fishing took hold. Bob also worked at Aramark, where he met the love of his life, Lori. Anyone that has witnessed Bob and Lori's love can attest to how one of a kind it was. Bob was our "Mr. Fixit" and was always willing to lend a hand or volunteer to fix something or help in any way.

Bob enjoyed coaching Robbie and Erin when they were young, and he took great pleasure in watching Hadley's sports. Bob was a diehard Minnesota Vikings fan, but also enjoyed rooting for the Eagles and the Phillies. In Bob's free time, he loved fishing and spending time with family at the beach and

boardwalk, while indulging in a slice of Mack's Pizza and a bucket of Curley's Fries. Bob loved entertaining by the backyard pool where you could catch him telling one of his infamous stories and making the kids laugh with his special dive in the pool. But most importantly, Bob cherished making memories with his granddaughters and family.

Relatives and friends are invited to attend a visitation on Tuesday, May 30, 2023, from 10am to 11am, at Infant Jesus Parish at St. Margaret's RC Church, 3rd and Beech Streets, Woodbury Heights, NJ 08097

“ *To Bobby*

Wow, where does the time go? Looking at the pictures celebrating your life it makes me remember the many fun times we had growing up (you and all the cousins). The pictures show a person who loved life, from the backyard BBQ's to Wildwood to fishing to just having family around getting together; just like those old days. The pictures show me a fighter who made others smile no matter how challenging the cancer was. May you rest in peace knowing the world is a better place because you were here. I am so sorry life pulled me into the future and I lost contact with you and all the cousins. I keep thinking of the CSN song "teach your children well" song. I know your kids and grandkids have been taught to live love and laugh...family

What an amazing person and what a remarkable life. Bobby touched so many lives in the best way and made a difference. He had so much love to give, first family then friends. Bobby's shining personality will live on along with many wonderful memories.

“ I always said Bob was my hero but he really was. Always there to help when you needed it and couldn't be around him without laughing at something he would say are do. Thru his sickness with surgery's, chemotherapy and everything else he endured I never heard him complain once or feel sorry for himself but would always ask " how are you doing". We have truly lost a special person that touched many peoples lives. He will be missed!

“ *I can't believe it's been over 40 years since I met Bob at my first real
job. Always a jokester and so much fun to be around. As the years
passed, I could see the love he had for his family and friends and
the love they showed in return. Bob was always smiling and willing
to take the shirt off his back for anyone. Bob was taken much too
soon from us. I feel so bad for his family. Remember all the good
times, and there were plenty. God bless*

“ Your family is in our thoughts and prayers. We will never forget all that he did for our family and just how much he loved all those he cared for. He truly made the world a better place, and we are forever indebted to him for everything he did. We are here if you need anything whatsoever – he would have done the same for anyone he knew.

“ It doesn't seem that long ago that we first met, and became friends through the friendship of our sons. Bob was like a 2nd Dad to James. It's amazing how fast 30 years can pass. He seemed to always wear a smile, and had an upbeat personality. I enjoyed being in his company, and working with him while on the school board. Our thoughts and prayers are with Lori and all Bob's family.

“ My beautiful friend Lori , my heart breaks for all of you, Bob was always such a positive, kind man. Every time I saw him he had a smile on his face and kept a positive attitude while having such a horrible disease, you can tell the love that he had for his family was the most important, Im thinking of you all at this sad time.. My thoughts and prayers are with all of you. Sandy McCullough
