“ *Bob, I got to spend 6 years with you, 5 as your wife. Although things have not always been the fairytale we both wished for, we still remained the best of friends, and you know I would do anything for you. My only regret is that Julia and I did not get to say goodbye and give you one last hug. All your pain and suffering is now done, may you rest in peace and you will always be in our hearts! Love you Poppy.....Teri*
