“ My deepest condolences to the Rink family. Our family still remembers and laughs about some of our boat trips. Wildwood and fishing in the bay. Baltimore and pushing his boat down under a pedestrian walkway because the tide was too high. Must have loaded 30 people on his boat to get it low enough. Then there are the memories working with Rinky at the phone company. Too many to write about. Went through some hard times and hard Directors with him, but we made the best of it and got the results that were important. Number one was always about the people. Often think about him and I'm sure you're going to miss him.

“ So sorry to hear of your loss. Bob was my supervisor at the phone company. I was a Construction Clerk and I shall never forget his compassion when my sister had a horrible accident. He let me go visit her each day with an extra hour on my lunch. Then I made it up each afternoon. He was strong in his ideals with the biggest heart! I shall miss him! A true family man!
