“ *Kala my heart breaks for you. Robert was such a gracious man, with a great sense of humor and a wonderful accent. I still remember the wonderful chicken and garlic he was cooking one day when I visited you at your apartment before you two were married. How when I commented on how good it smelled he came over with some for me to try. Since then I have tried many times to replicate it but never have. Im sure it needed the Robert touch. I will always remember how he made us feel like part of your family when we visited you a few years ago. He was a wonderful host. As I watched the remembrance video I realized that you gave him his greatest gift, Dana. Look at her and know he will always be with you. Love you*

You left this earth far too soon but you have definitely touched our hearts and made an impact on this family. We will miss your friendly smile. You fought a hard battle. May you now rest in peace. Dana and Kala, our hearts are aching for you. No words can heal your pain but know we are here for you whenever you need us. May God bless you both and help you begin to heal.
