“ Bob is a wonderful person and will be missed. He taught me so many things in life, things he didn't realize. Anytime you needed him he'd be there, and he was. He taught me to drive when I trusted no one else. Later when life took a different path for me he took me to buy my own car (and didn't judge). That's just the kinda guy he was. Thank you for sharing him with me Sherrie!

“ I have so many happy memories of you, especially in my youth. I will always think of you and my dad when I hear Funky town, you two were the best audience for me & Sherrie’s in home dance shows. There is peace in knowing that you are with Donna, and I’m sure you heard a familiar “Hey Cuz” to welcome you. You will be missed very much. Love Amy
