“ *So sorry for your loss. Mr. Troxell was an amazing teacher to me. When I was in middle school, he trained me in working at the school store in Monongahela. He was so kind and patient, even though I made a ton of mistakes. I will miss him.*

“ To the family of Bob Troxell,
My sincere condolences for your loss. I worked with Bob in the Monongahela Middle School for 26 years. I recall our conversations about the students he worked with, very taxing and challenging, at times. He wanted them to learn and be successful but phys. ed and health, students didn't always take seriously. Bob hung in there with them. He'd say he 'had to teach all the students 'in his grade level, regardless of their academic ability. Bob remained dedicated to his job. His presence will be missed at the Junior High luncheons. Rest in peace, Bob.

My prayers are with you all,
Madeline Abraham

“ My thoughts, prayers, and deepest sympathies go out to Gail and Bob's family. I enjoyed working with Bob during my 19 years at Monongahela and also Tall Pines. He was a great guy with a super ability to tell stories with his great sense of humor. He was dedicated to his family and would always talk about his girls and everything they were into. Rest in Peace Bob.

I took the picture of Bob with President Bush in front of the bar at Pine Valley as he also took one of me with his camera. Sorry to hear of his passing he was wonderful and always a great friend to work with. He always spoke lovingly of Gail and Kristin and Erika the horses and Nascar. I was sad to hear of his passing and cherish the love and memories you have of your lives together. My loving wife of almost 48 years got real sick and had to leave me. It will be a year on April 12 and its still makes me cry every day. Bob and I worked together for many years and when I saw the picture It filled me with many memories of that day and others. God bless your family.
