“ *Bob, it has been three years yesterday that you left us, you are missed just as much today as you were at that time. Sometimes it seems like yesterday and other times it seems that it was so long ago that you were with us. Will remember and love you always. Love, Mom and Dad.....*

“ Dear West Family, Our heartfelt condolences go to all of you, especially our little Gianna. Bob always had a hug and a kind hello even though we didn't meet often. He was always very respectful to our father, Jim McAleese, as he struggled in his illness and would bring Gianna at times to see him. He truly was a great dad to Gianna and she will be comforted by the wonderful memories and times with him and all his love. We love her and will always remind her that her dad is proud of her. Rest in peace Bob.

“ To the West Family, We are sorry for your loss and ours. Bobby had a good heart and was a great Dad to our Great Grand-Daughter Gianna. He always seemed the happiest doing for Gianna and when he would come over and show us all the things he bought to make up baskets for Gianna's class. He always gave me a good feeling doing things like that. We are happy to have been a part of his life. God Bless

“ To the entire West Family. I am very sorry for your loss, I will always remember Bobbys eyes. I knew your other Son (Jimmy) better than I knew Bobby. Not only did we lose him this week but also Coach Corbi. When my "kids" from school see me they say "he is still alive" what was his name- to all of them it is and was Smedly. Again I am very sorry for your loss. Bud Ward (age 76)

“ I have fond memories of watching Bobby bring Gianna to and from your house making sure she was in her carseat or had her seatbelt on. I saw him carry her diaper bag, backpack and whatever other trinkets little girls need. It always made me smile to see him take such good care of her. I remember many summers seeing him in the chaise lounge in the backyard working on his tan. We often would compare our tans and as always strike up a conversation. He loved to talk. Tom and I are blessed by such good neighbors.....our thoughts are with you all.
