Robert J. "Bob" Williams

Wenonah, NJ | Age 81

Passed away peacefully on August 2, 2025.

Bob was the beloved husband of the late Joan A. Williams and a devoted father to Joan Dillon (Randy), Dawn Kessler (Robert), Becky Williams, and Niki Williams-Spencer (Calvin). He was a loving grandfather to Corey Kessler (Nicole), Keenan Bain (Tanya), Amber Smith (Travor), Leslie Mangini (Richard), Courtney Kessler, Austin Dillon, Dante Spencer, Demetrius Spencer, and Darius Spencer. Bob was also a cherished great-grandfather to Corey Jr., Ciara, Cayden, Kaylee, Sadie, Marissa, Raelynn, Henry, Gianna, Clay, RJ, Hunter, Blake, and Abigail.

Bob had a deep love for his family, especially his girls—and enjoyed life's simple pleasures: trips to the casino, card games and keno, Phillies games, puzzle books, scratch-offs, summers at Ocean View Resort, backyard BBQs, peanut butter snacks and an ice-cold beer. He looked forward to his annual golf outings at Myrtle Beach, as well as annual dinners at the Pub with fellow fire fighters. Bob will always be remembered for telling a great story, especially about his life experiences. Now he has rejoined his love Joan, and we know they are enjoying all his favorite foods at the Borgata Buffet in the sky! Bob wanted everyone to know "He had a great run!"

He proudly served his community in a dedicated career in the Camden City Fire Department for many years, followed by a career with the United States Postal Service until his retirement.

“ Dad Williams, was a great man. He always treated me like one of his own . I will always remember how I would walk to visit Becky in my pj's on Christmas morning and he always made breakfast.it became a tradition.He asked me if I would still keep the tradition going after marriage. Lol I did for a couple years! And I will always remember all the trips to Ocean View Campground (it used to be called) in the station wagon.He will be truly missed. 🙏❤️

“ Mr. Williams will always hold a special place in my heart. I grew up with Becky, meeting her at the campground. We continued to be friends throughout the winter. I would stay with the Williams in Wenonah during the winter weekends. I remember taking Nikki for walks in her stroller. She was just a baby. They always made me feel like family. I grew over the years to be friends with Dawnie, and Joannie. When I had my son, Albie, we were always included in family lake days and BBQ's. Thank you for those wonderful memories. Gammy and Pop are together again. My prayers and thoughts are with all of you. 🙏

“ Bob used to always say “I told her to put on her lipstick I was taking her to her happy place” (casinos) we at the post office knew exactly what he meant. He shared his family and his wife with us from dinners, parties and Chinese auctions. He has left an impact on so many people. I know she had her lipstick on for you Bob , until we meet again. I love you!!!
