“ Uncle Bob, I can't even begin to tell you how much you will be missed by this family,although I am sure you already know. You were not only a wonderful person and uncle to Mike, but a GREAT FRIEND.I do not believe there will ever be another Tuesday night that goes by,that he does not think about you and remember what is was like when you were here. I am sure he will remember all the good times and laughs! All I can say is thank you for being so many things to so many people. Watch over those you love and keep close. Until we meet again ....

“ Uncle Bob, you were one of the best uncles, I always loved coming over to your house, we always had such a great time swimming and having BBQ's! I know a lot of people were waiting at the gate for you, Gram, uncle Jimmy, and many others, but I know there are many more people here that wish you didn't have to go, I know you are no longer suffering and in pain, and for that I'm grateful, but the pain left behind is so very hard, especially for aunt Joanne, Bobby, Peggy, Beth & Caiti, we will all miss you so much and have nothing but great memories of you, until we meet again, we love you, Love, Kelly, Brooke & Eddie..ps: give gram a Big hug and a kiss from me...xoxo

“ Dad, we sat in that doctor's office almost 3 years ago, and were told that this day was inevitable. If that day were 10, 15 or even 20 years ago, it still wouldn't have been enough time to prepare ourselves for the heartache and sadness we are feeling now that you have gone. I am glad you no longer suffer...but I already miss you so much. It will be a much lonelier world for me, mom, Peg and especially for your two little girls Beth & Caiti. In every picture I look at with the three of you, it is obvious by your smile how much they lit up your world.... but you did the same for them. We know you will always be with us...in our thoughts, in our prayers and in our hearts. I love you Dad!!!! Rest in Peace.

“ No words could express the heartbreak that we all feel at your loss. I'm watching your best friend, your son and your grandchildren mourn your passing and although life goes on it will be never be quite the same. You will always hold a special place in the hearts of those you touched. You make sure you keep a close eye on Joanne, she'll be looking for your footsteps in the sand.  
I will miss our time on the deck checking out the birds and flowers. Now Bobby and Joanne have no one to pick on but me:( I will miss you Big Bob!
