“ *I remember the wedding of my Uncle Bobby and Pearl. It was such a happy time. I also remember the time the my parents drove the university the Uncle Bobby was on duty and surprise him. Pray for his soul and for his family. I know his immediate family do not know me. But I am his niece, his brother Bill was my father. Love and prayers. “ *My memories of Uncle Bobby all have a gentleness about them. In my younger days, family get-togethers were more meaningful if Uncle Bobby was there. His warmth and kindness always made me feel special. Even as life took away people he loved and his health worsened, he still gave what he had to love others.*

“ *He is Gone You can shed tears that he is gone, Or you can smile because he lived, You can close your eyes and pray that he will come back, Or you can open your eyes and see all that he has left. Your heart can be empty because you can't see him Or you can be full of the love that you shared, You can turn your back on tomorrow and live yesterday, Or you can be happy for tomorrow because of yesterday.*

*You can remember him and only that he is gone Or you can cherish his memory and let it live on, You can cry and close your mind be empty and turn your back, Or you can do what he would want: smile, open your eyes, love and go on.*

*My condolences to his children, grandchildren, brothers, sister. God Bless you all, Dianne Jones Wyzykowski (niece)*

“ Uncle Bob,  
When I think of you, I recall many happy memories and happy times. I always looked forward to the holidays and family get togethers because I knew you would be there and somehow you made it more special. I always apreciated the conversations we shared because they came from the heart. I really enjoyed talking with you and spending time together. You had a way about you that made me feel special and for that I will always be grateful. You always did and always will hold a special place in my heart. Now that you have left us, things will never be the same. I know you are in a better place now and one day we will meet again. Until then, I will deeply miss you.  
Your Loving Niece, Terri (Ladzinski)Stankowitz
