“ To the Zsirai family I send my deepest sympathy for your loss of a son, a brother, and an Uncle. Bob I am sure you will be missed by all who knew you. I haven't seen you in years but you were part of my life at one time. Thru the years everytime someone says "no biggie" it reminds me of you. Marshall Tucker "Can't you see" still makes me think of that night at the State fair. R.I.P Bob love Wilma

“ To me you're more than an Uncle, you're truly a great friend. Someone I could pour my thoughts out to knowing you'll cherish them to the end. You've made me laugh, when I wanted to cry. You've made me stronger, when I felt so weak I could die. Whenever I'm upset I know you're there with a shoulder to cry on. Whenever I face a problem and need some help I know you are one I can rely on. You've always made me happy, I hope you can truly see. You're more than just an Uncle, you're also a great friend to me. I'm gonna miss all the times we shared nothing could compare. I love you and I'm gonna miss you! You will always be with me
