“ Mike.. although I can't pretend to feel your pain you need to be strong for your children and they will help you heal. She left you with beautiful children and memorys that will last beyond her passing. Her suffering was enormous and at least that pain is finally over take Solace in that knowledge, She is not alone and with her mother Patricia now who she missed greatly. I am so sorry for your loss and what the coming weeks will bring you but you have family who can help you. Robbi, we will miss you.
