“ *Losing dear Robyn is a tremendous loss. I don't understand why she had to be taken so soon in the prime of her life.*

She was beautiful inside and out.. so upbeat and funny, full of life, energetic,, kind, a humanitarian and a go-getter... She touched so many lives... I was so blessed to have been her friend. She made such a difference in my life... I am heart broken over the loss of my sweet funny ambitious friend. God be with Gary, Sammy Francyne, the grandchildre and all her family and dear friends during this very trying time.

“ Our condolences to her family. Robyn was so much more than a nurse. She was a motivator. She put her heart and soul and huge personality into every event she attended. Her joy and enthusiasm made activities that much more fun for her consumers, but it wasn't just the consumers who benefited. You could tell Robyn truly loved her job. She will be greatly missed.
