“ Little Rog??? what were you thinking?? We all loved you soooo much. I only wish that we could have helped you fight the demons you were facing in this life on earth. It is too easy to pretend that everything is OK. I am so sorry for that. I feel like I failed you. I will miss you and always hope that you have finally found the peace you deserve. You were worth so much more than you gave yourself credit for. May GOD wrap his arms around you and show you the happiness you deserve my nephew. May you soar through the heavens with your pop by your side. Fly free!!! I Love You. Aunt Jack???

“ To my brother Roger. We made it through thick and thin. We have to many good times to mention and to many things we won't get to do. I'll cherish every moment we had the good and the bad. That's what made us who we are as friends that are brothers to each other. I'll always be missin you and I'll never forget you. Watch over me fam, until we meet again. R.I.P

“ RT, I am so sad that you could not escape ( in this life) the pain you so obviously were in. I am sad for you that your short life was filled with so much hurt and dysfunction. I am ashamed that I didn't know how bad things had gotten. My heart hurts for your Dad and Mom that they must bury their son. Your life here on earth was filled with too much uncertainty and pain for a 26 year old. I'm sorry for you that the choices you made ended up taking you from this life way to soon. I pray that you have now found peace. You were worth so much more than you thought. May God and Pop comfort and keep you in their embrace.  
Until we meet again. Love you, Aunt Kathleen PS... Stand on your head. ?
