“ I am in shock! I just saw Ron a few weeks ago, at The Club Diner, where we chatted a bit, and agreed to get together in the near future for a beer or two (or three...). I first became acquainted with Ron, about 10 years ago, or so, and instantly liked him, and we became friends very quickly. The main thing we had in common was our love for our grandchildren. I really wish we could have had that beer... :(I will miss him, for sure. /John Rink
