“ I remember meeting Ronnie, When I met Pauline, my childhood friend growing up on Cooper street in deptford.... He hung out W my older brother Paul.. Always happy and goofy..I remember he liked teasing me and Pauline! Lol..Pauline and I became inseparable...so I always saw Ronnie...the whole family accepted us with open arms..then we moved, and didn't stay in touch much..until Pauline found me on FB..didn't know much about Ronnie's life, what Pauline told me was he was battling with addiction! So sad...its such a bad disease! Now he doesn't have to suffer anymore...Ronnie.. May God Bless u...and u look over UR family and protect them! Love you, and u will be missed!!

My husband Brian and I have many fond memories of him from barbeques and horseshoes in the back yard on Monmouth St to the flyers game we attended with him. “ Pauline ,Dave,Aaron , Alexa ,Rae and family, you have my most sincere condolences .I was truly fortunate to have known Ron and to have so many happy memories of him. I will always remember how his face would light up when pink Floyd would come on the radio, especially the song "wish you were here".whenever I would hear that song over the years I would think of him , but now even more so.i hope wherever he is he is smiling that same smile , holding Michael and Allison in his arms.
