Sorry for the loss of your Dad. I can see how much you ment to him. I knew your dad when I was a young teenager. I am a friend of his sister Evie. I've known the family since I was 8 years old. I remember when your dad finished his time in the Service, came home and bought a new car. He was so proud of his car. A couple of years later, he allowed Evie to drive his car and take her girlfriends joy riding. She was the first of our friends to drive a really sharp car. Some of our friends would see him when they visited Las Vegas and later Atlantic City. Thoughts and Prayers for your dad, you and family. May he RIP!

Ronnie also had a loving Mother her name was Anna Macilavech Yackman she loved him as he loved her. My Brother was a good man, he always tried to please everyone. He is also predeceased by his Brother-in-Law Jimmy Bishop (my husband) who he had a great relationship with! When he came home from the Marines he worked for Curtis Publishing Company, their magazine was The Saturday Evening Post and their cover artist was Norman Rockwell, Ronnie always brought home magazines, I wish we had kept them. Love you Ronnie, rest in peace Evelyn Bishop

“ *Ronnie loved life and people - he always made us feel special. Our hearts go out to his family who loved and cared for him so much. “Death leaves a heartache no one can heal. Love leaves a memory no one can steal.” Be comforted that he is at peace and his life was so much better with you in it.* ”
