“ *I worked a second job at Strawbridge and Clothier in Center City Philadelphia from 1986 to 1996, in the Cosmetics Department. I worked at the same counter with Rose often. She always looked so nice and she was a good salesperson. She knew her product line. I believe it was Elizabeth Arden. She was funny too and made me laugh. I often think about the people I worked with in Strawbridge and Clothier, including Rose, especially since she lived in South Philly.*

“ My condolences to Rose's family. Rose and I were neighbors in South Phila. and met when we were both rescuing kittens that were abandoned in the neighborhood. Rose also helped when we started a community garden on her block. She was very kind and a friend to animals and people. The neighborhood will miss her.

“ I'm So sorry about Rose passing away. We worked together approximately 30-35 years ago at Strawbridge and Clothier and I haven't seen her since then. When I saw the obituary in the South Philly Review I recognized her. Rose stood out and was unforgettable because of how beautiful she always kept herself and because of how she carried herself and because of her voice. May she rest peacefully. My condolences to Rose's family.

“ Rosie...you and Marie were the only sisters I have ever known...and now Rose that you have gone to be with Marie we are left behind with only memories of the good times and some sad ones...memories of all of us sitting around Marie's kitchen table talking about the latest medical discovery from the news paper...and of the many times you would bring home the bargains for all of us from Lit Brothers or Strawbridge's where you worked for so many years. We're missing you dear heart and I hope we'll see you again some day.
