“ *My mother, Miss Rose....I have so many great memories of our time together. She loved hump day Wednesday, my lasagna and laughing whenever someone got "hurt"; she would always offer help afterwards. Gonna miss her voice and how she would call me for everything "Novie"....Gonna miss her but GOD needed her more.*

So sorry to hear! I loved working with Rosie, I loved hearing her laugh, and as Nova said, even if someone was getting hurt! It was nice reconnecting with her on FB, she crocheted a baby blanket and sent to me for my Granddaughter! Heaven gained an Angel!
