“ I don't know where to start. Rose was like a mother to me. I grew up with this family. Frankie and I were best friends since kindergarten through high school. I will never forget her and all the great times we had. The Rego's were family to me. You will be missed by many. Sending prayers to your family and friends. May God bless you all...Rose ❤️

“ Not all family is by blood. Family also comes from love. She's been a part of my life as long as I have been around. Rose hasn't been like family; she is family. Always has been, always will be.

“*Rose always made us laugh when we were growing up next door and later in life as adults as she would tease my mother and they would sit together on the front porch to chat and gossip. May God Bless you all with peace in her love and life. She was amazing and will be missed by many. In love and friendship, Janice Rastelli-Minor and family*
