“ To our dear friends, Veronica, Carnell, Tatiana and CJ
What a wonderful tribute to "Mom"! The family's love for her was reflected in each and every photo/video frame. She was blessed to have all of you as family, and we know that you all were a joy and a blessing to her.

Mom Rose truly lived her dash (the time between her birth and her death) to the fullest doing her best to love and care for her family. To give love and be loved in return--when it is all said and done can anyone ask for more? Heaven must be rejoicing, welcoming their newest angel to their fold!

Know that we will be here to support you in any way possible during this time of sorrow and beyond.

With love and sympathy, Sheila, Jerry, Brandon, Jarrett and Cameron

“ My heart is sadden to loose my Godmother, but the memories I have of her are wonderful. I'll miss her husky voice and her funny sayings.
I thank God that he gave me the opportunity to visit her one last time on December 4. Her eyes lit up when I came in the room. Although her voice was very soft, I knew she was glad to see me as well.
To Uncle Johnny and the children, hold on to God's unchanging hand and let the loving memories of your wife and mother be a comfort for those difficult days head.

“ To the Lofton family - one of my extended families, I send my deepest sympathy to you and your family. I have known your mother and her family for a short time. I want to also extend myself in any way for your family. I love you Veronica, Carnell, Tati and C.J. God looked around his Garden and found an empty place. He then looked down upon his earth and saw your loving face. He put his arms around you and lifted you to rest. His Garden must be beautiful, he always takes the best. He knew that you were suffering, he knew you were in pain. And knew that you would never get well on earth again. He saw your path was difficult, he closed you tired eyes, He whispered to you "Peace be Thine" and gave you wings to fly. When we saw you sleeping so calm and free of pain, We would not wish you back to earth to suffer once again. You've left us precious memories, your love will be our guide, You live on through your children, you're always by our side. It broke our hearts to lose you, but you did not go alone.
