“ I love you Grandpa ! I will always remember all our laughs together and all of our fun memories ! You always had an amazing sense of humor and you were always there for us no matter what . I will forever cherish these last few months I spent with you because, I learned so many things about you that I had never known before . You told me stories of your mother and how you first met Granny . You told me about how you were shaking in your boots when you asked her to be your girlfriend and that the two of you had an amazing time at the drive in movies . I found that we had more in common then I had thought and that meant the world to me . I am so proud to be your favorite youngest granddaughter ! I love you Grandpa !
