“ As his brother, I always saw him as a real "spark plug." I'm just glad I was always bigger.
He was there for me, but this terrible disease would not allow me to be there for him. I'm sorry, Kenny.

“ Dear Lorraine, I am very sorry to hear of Ken's passing. I truly
enjoyed working with him for that short time on the cab and
ambulance service for John. I knew he was a special and kind
person, and it shows on his face in the video. He was a wonderful,
sweet man and it was my pleasure to know him. He will be missed
by many, I'm sure.
May God be with you and your family and comfort you at this time
and always!

“ Rainey,

Growing up around you and Ken, I always felt happy and loved. Ken had a joy about him that spread across the room and we shared that humor. I won't that about him. He will be both cherished and missed. I love you both. Your little Sister, Kathy
