“ *I would like to send my condolences to Shirley and her family at this time . I'm very sorry to hear about the passing of your dad. I met Russ a few times and each time that I met him, he was very nice, funny and outgoing . I know Russ will be missed because Shirley would share stories with me about something funny that he said or did. I know this is hard but may Russ rest in peace.*

“ I send my prayers and thoughts to Russ's family, especially to Shirley. I had the pleasure of meeting Russ when he came to the Camden Aquarium to support Shirley for a special MS day. He was so nice and sweet, too.
He's with the angels now and he will always be remembered and missed.

“ Sorry to hear of Russ's passing. I enjoyed sitting with him at numerous softball games and tournaments. We would talk about crabs in St. Michaels, the latest John Sanford books, and of course the games. It's been a while since we've seen him, but thought of him often through the years.

“ Very sad to hear of Russ' passing. He was not just someone who attended athletic events but became part of the family. He started watching our soccer team in the late 80s and his love of WD girls sports was never matched. You will be missed on the sidelines my friend but now you can be on as many fields and courts as you wish. RIP Russ
