“ *Can't believe it has been 12 years that you went home to our Holy Father. Still have trouble celebrating Mother's Day. I know you and Dad are dancing in the clouds like you used to do so much at home. Love always. Your daughter.*

“ Mom Well it has just been 5 monnthts since Dad came and took you home with him and Judy. My life does not seem the same. I still pick up the phone to call but then remember you won't be at the other end of the phone. I wish there was a 1-800-Heaven number so we could talk. I love and miss you so much!

“ First, I will miss her dearly. She always made our vacations fun and full of memories. I am so sorry for your loss as a family. She was a great person. I was lucky to be able to talk to her before she became ill. Incase she never told you (Frank) she thought you were a great son in law. Always helping T make meals, wash clothes and making sure she got out to have some fun. Thelma you did a great job taking care of her as sick as you would be sometimes. She will truly be missed and we will see her again someday. Love you all

“ She was one feisty lady and will be missed by all who knew her. I have lots of memories over the years, but the last 10 were the best.....I enjoyed our dinners together at the house with Joe and Rodney...and watching the Lawrence Welk show while we ate.... She will now be with her beloved husband Joe and her daughter Judy. Go with GOD....
