“ *Please tell Jim that I am thinking about him and hope he is doing ok. I met Sandy several times when I went to see Jim. She was always pleasant and kind whatever her discomfort. I was the person who found Jim on Oct 31, 2022. I have thought of him. He called me once when he was at Spring Hill.*

Condolences to your family. The picture of her is lovely.

“ *Sandy was a close family friend and was just over the hill from my grandparent's house when I was growing up. Her broccoli salad was a delicious staple at many BBQs. I always enjoyed conversing with Sandy and catching up with her. I will always remember her kindness and her love for her home and family. Sandy occasionally checking in with me to see how I was doing after I moved to Kentucky will always hold a special place in my heart. My condolences to Jim and the whole family.*
