“ Sandy, I will miss you so much! I am glad you and Tom were always there for us! I'll miss your smile, our lunches together and the love and friendship and knowing you for over 45 years thank you for making us feel like family., your family was my family We had a great and special relationship. Words can never say how much I loved you! My heart is broken. We shared so many good times and I loved you like a sister. God bless you. I am glad you are out of pain! I loved it when you used to fall asleep on the phone. I'll miss you hollering " TOM " don't play cards with Betty and Dee in Heaven, I'll be there, soon! Save a seat for me. To the family, the kids and Grandchildren, I am so sorry for your loss and sorrow. Tom, we loved her very much and we know your at your lowest peak of life, right now! 30 years ago while at a show in woodbury I met Sandy. We started talking about our kids in the band and where we came from. We discovered that night that we were practically neighbors in So. Philly. Born and raised and went to same school just different years. Our friendship blossomed from there and to this day I can tell you we had the best friendship you could ever want with a great friend. We had so many occasions that we celebrated together, our kids Weddings, birhdays, Christenings, Baby showers. My heart is breaking right now and I will never get over losing my friend. We never ended a conversation on the phone without saying I love you girlfriend. Sandy I know you are at peace now but I will always miss you and love you forever.
