“ *Sandy worked across the hall from me and it was a joy to see her each day and share stories. I would like to offer my sincere sympathy to her family, especially Edwin and Melissa, her grandchildren. You both meant the world to her and there was such love and pride in her eyes when she spoke of you. Always remember that your grandmom's love continues and she will be watching over you as you journey into your future. Be strong for her as you go forth.*

“ *To the O'Neal Family:
My warmest sympathies go out to your family at this time of need.
May God continue to wrap His arms around you and comfort you at
this time.
As a child, I was part of the North Baptist Church Youth Choir. I
knew Miss Sandy very well. I haven't seen Miss Sandy in a long
time since I joined the military. But, I am sure she was aware of my
"where-abouts" by keeping in contact with my Aunt Cookie. Miss
Sandy always "told it like it was" and she made us children laugh. I
really appreciated everything she did for the youth in the North
Baptist Church. She made going to church fun for us!
She will always have a special place in my heart! I know she is in
heaven smiling down at us all! Even though it may be hard for you
right now, know that she is in a better place and she is happy. Be
strong and know that God has her and He has it all in control.
May God continue to bless and keep you and your family.
God Bless you,
Selena*
