“ *Deer Mom , I will always remember you never judged any of us no matter what. If we made any mistakes you would say fix and move on. You never wanted or needed anything for yourself. I can honestly say I never in my life ever heard you say you wish you had anything. And if you ever did want anything it was just a little to give to us. Until you call for me or my Sister or Brother, I love you and will miss you forever . Sonny..*
