“ The last memory I had with Scott was going on a Cruise with Him and Michael over 7 years ago. We Unfortunately had a fallen out over something silly and I so regret not patching things up with him, just finding out today he passed away back in December I'm truly sadden by his lost. Scott was truly one of a kind he lived his life they way he wanted to and will be missed.. Sorry Scott for not getting a chance to talk to you. I hope where ever you are you are at Peace with Yourself and surrounded by your friends family and pets that crossed over in your lifetime. - Gilbert Dipiano

“ Scott was like the brother I wish I had! I always enjoyed when our travels landed us in the same spot. We always had fun and had infertile conversations. I just can't believe he's gone. He was the best!

“ I still can't believe I'm never going to see Scotty again. I always called him Scott but when I traveled with Bensalem Seniors, Floss and Barb called him Scotty. He was my driver a few times when I was unable to get a bus from the company I had used since 2007. That company didn't survive Covid and Scott became my #1 Driver in 2021. He always made me laugh! He was to be my driver Dec. 11 and I was sad to learn he'd had a heart attack the day before. I will miss Scott. My heart breaks for Judy.

“ I met Scott in 1987 when Eric Null and I drove to New Jersey to meet him. He and Eric became fast friends and had a very caring relationship all of these years. Although my relationship with Scott was not as close as Eric's, I always was fond of him and am very saddened why that he has passed. I wish the family on my best

“ Scott was abus driver for me a couple of times especially when he took us to Nova Scotia that is where we introduced him to the Game LCR. I had the biggest room and every night a few of us would come down to my room including Scott and he would push two tables together and everybody would bring their chairs. Always had a lot of laughs with him he just joined in. From that trip he was hooked on the game. He told me he just lived doing my groups cause they were fun . He definitely will be missed my heart goes out to Judy . May he Test in peace
