“ *Scott and I went to Walmart on an escapade one day and on the way out Scott was lagging behind. I got to the truck and sat in the drivers seat. I looked to my left and there is Scott getting into the passenger seat of the car next to us with a woman who just got into her car! I looked at him and he caught my eye and realized he was not where he was suppose to be! Priceless! (One of Scott's favorite words) The woman was just a bit nervous but we had the biggest laugh! There were so so many good times like that. Love you Scott...Trish* 🍷❤️
