“ *It saddens my heart to hear of Shannon's passing. The memories that we shared all though our youth will always be treasured. From trips to Knoebels, countless sleepovers, and hours spent laughing together. Her loyalty and love for others will not be forgotten. I wish peace for you all. I hope comfort can be found in the arms of those you love and the memory of Shannon's joyful spirit.*

“ *I have known Shannon ever since our high school years and sharing Marketing class with her. She always made me laugh and we share so many good memories and kept in touch over the years. I can honestly say she is one of the truest friends I have ever been blessed to know. My heart aches knowing she is no longer here on Earth with us and it hurts because I never got a chance to see her face to face once again. I pray for her family and hope God takes them into his arms during this time. Shannon you are like family to me and I can only hope that I make you proud of me. I love you. I miss you.*

“ Dear Fred, Beth, Phyllis and Hannah, I'm still in shock over the news of Shannon's passing. She was so young and full of life. I know how close you all are. You didn't lose just a daughter, mother, sister but a best friend. Shannon was always smiling and enjoyed her family so much. I will miss seeing her around the house, having a smoke and chatting. Shannon was a wonderful person. Such a tragedy. Our thoughts and hearts go out to the whole family. If there is anything you need, please don't hesitate to let us know. Diane, Arnie and Harley Monk

“ Shannon, I wish I would have told you how amazing you were more often--- your strength, ability to forgive, positive outlook, and immense love for your family and friends, was truly inspiring. I'll miss your hugs (they were the best) and mostly, I'll just miss you. XOXO
