“ I was the Assistant Principal at Paulsboro High School and we hired Shawn to teach a self contained class. Shawn developed a great relationship with his class, he got our kids to believe in themselves and was a positive mentor to our students. I saw a lot of potential in Shawn and latter that year I nominated Shawn for the Philadelphia Phillies teacher recognition award. Shawn was recognised by the Philadelphia Phillies and we took the entire class and the night was special for Shawnm myself and our students. I would occasionally run into a teacher from Timber Creek and always related a message to Shawn. I was glad to call him a friend and all my prayers for his family, friends and his school community during this difficult time.

“ I was shocked and saddened to hear about Shawn’s passing. I knew Shawn from his Westville days growing up and then reconnected with him while working at the men’s department at Sears in the Deptford Mall together. We stayed in touch while both attending Rowan and I would bump into him every once in a while at Timber Creek while coaching!! Shawn always had a smile on his face and he had a great laugh!! Rest in peace knowing all the lives you’ve touched! - Sue J

“ My condolences to Shawn's family. I met Shawn probably 15 or so years ago and we could go years of not talking or seeing each other but pick right up and share some laughs. I wish I could have one more beer and bs about sports with my buddy one more time. Shawn was just a great guy and always positive. Rest easy my friend..... Mike Ellis

“ Struggling to find the words for someone who meant the world to me. I should be able to go on and on about you, Shawn. Loosing you and your mom within three months of each other has been the worst nightmare. I will never ever forget you and you will always be in my heart.

I love you Shawnie Boy, my sweet Cousin ☐💔

There is a hole in our family where you used to stand. There's a hole in my heart for which I never planned. I will miss you every day until we meet again 💔☐💔

“ To the family of a friend, colleague and mentor,

My name is Mike Short (Shorty to Shawn). I had the pleasure of meeting Shawn when he coached my twins in both indoor and outdoor track at Timber Creek. He was both fair and friendly to my children, even though he did not coach them directly. Later, I had the pleasure of working with him as a peer. I was impressed with his positive demeanor, incredible knowledge and consistent upbeat coaching style. I became both a friend and a fan.

With great effort and consistent positivity, Coach Mc Hugh was able to motivate athletes to win 5 State Indoor titles while I shared the helm with him. I will always remember his ability to coach every child, every athlete regardless of ability. He literally coached every kid. I always respected that....

Later in my life, Shawn attended both my twins' weddings as a dear friend and mentor. He was the highlight of the dance floor at Lt. Michael V. Short's wedding to Sam Palmucci several years ago.

Shawn Mchugh was a dear friend. He was a coach to hundreds of kids that got better every day because of his daily work. He was a mentor to many

TC kids that went on to college, including Michael (USNA) Megan (Longwood) and Matthew (Temple)Short. He made a difference in the classroom and on the athletic field. He was a friend, a colleague and a mentor to so many, many people. I will miss him saying " I Love You Shorty".

Finally, I have been a track coach for over 30 years. Coach McHugh was the finest jumps coach I have ever seen. He formed, along with Grottini, Newsom and Hinson, the most amazing staff I have ever been a part of. He welcomed me as an Indoor partner and treated me as family from day one. I will miss him as a friend and as a brother. I will never forget Coach Q.

With Love and Respect,

Mike Short(Shorty)

“ Shawn you were the greatest source of strength , and the best friend anyone could ever hope for. You were always the voice of reason in any situation and always the first to lend a listening ear or helping hand. Our lives were richly blessed to have you a part of it. You knew exactly what to say to put a smile on my face and keep me grounded. But what I loved best about you was that you were there for everyone you loved and cared about which was practically the whole universe. You were an angel here on earth and now you have your wings . Love you forever and a day
Rest well until we meet again
