“ Dear Aunt Sheila, I still can't believe your gone. It seems like just yesterday we were having fun at Clementon Lake Park, and swimming at your condo. I remember how we had our special day in Philly, to celebrate my birthday.(: I'll never forget the great times we had. I am happy you're in God's hands now, though. You came into my life, and left footprints on my heart, and I'll never be the same. I love you, and miss you lots.

“ Sheila was my Aunt. I have so many fun memories with her. My girls and I will miss her so much.
I will miss the special times I had with Aunt Sheila. We had many adventures... Trips to California, Newport Rhode Island, Williamsburg, the Jersey Shore, visiting all the good restaurants in South Jersey, driving around to see the Christmas lights.
Aunt Sheila was always around for my girls activities. She was always there to help when I needed her. She was my biggest fan. Always encouraging me and showering me with her wisdom. I will miss our phone calls.
WE LOVE AND MISS YOU!

“ An era has ended. There will never be another Aunt Sheila. I have many happy memories of Friday nights in Westmont, dinners out, and family parties. She lived life her own way; I just hope she's in a better place now, free from dialysis and pain.

“ Aunt Sheila was a woman that I have known since age ten. She was my music teacher and then my aunt. What a privelege to have known her. We shared many, many good moments together and I considered her a sister, mom, good friend all rolled up into one. I will miss her funny stories and her love for my family. She attended all my kids events and was such a great support person. We will dearly miss her.

“ Sheila will be missed by both the staff and the other patients. She was a true lady and handled all of her adversity with dignity and courage.
I will miss our post-dialysis chats and our shared love of perfume!
